Portland, Ore.

KNIGHT
CARDIOVASCULAR
Institute

The 4th Annual Pacific Northwest Cardiovascular Summit September 7-8, 2018

The OHSU Knight Cardiovascular Institute is pleased to present this year's Pacific Northwest Cardiovascular Summit. This symposium will provide the most up-to-date information about diagnosing and treating cardiovascular medicine and surgery. Hear from internationally renowned experts speaking on topics related to:

- Heart failure
- Electrophysiology
- Prevention
- Imaging
- Structural heart disease
- Peripheral vascular disease

Course objective

At the end of the course, learners will be able to identify clinical presentations of the highlighted cardiovascular conditions spoken about, examine the appropriate guidelines based on emerging approaches to treating cardiovascular symptoms, and devise an approach to treating and managing patients in these high-risk cardiovascular conditions.

Location

The Pacific Northwest Cardiovascular Summit will be held in The Sentinel Hotel, located in downtown Portland, near Pioneer Square and the central business district.

Sentinel Hotel
614 SW 11th Ave.
Portland, OR 97205

Hotel accommodations

A limited number of rooms are being held for Summit participants. We encourage you to make your hotel reservations before the August 6, 2018 deadline to ensure that you receive the conference rate. Please visit their website below to learn more and reserve a room or call 1-888-246-5631. Identify yourself as a participant of the Pacific Northwest Cardiovascular Summit.

Please visit their website to learn more and reserve a room at www.sentinelhotel.com.

Visit www.pnwcvs Summit.com for more information and to register.

Registration

Register online at www.pnwcvsummit.com

Registration fees

For physicians

\$295 – Early bird registration

\$395 – After July 31, 2018

For advanced practice providers and nurses

\$195 – Early bird registration

\$295 – July 31, 2018

Trainees

\$49 – Residents, fellows
and students

The conference registration fee includes online syllabus material, continuing medical education credits, meals and refreshment breaks throughout the sessions. For registration questions or more information, please contact the KCVI CME team at 503-494-7646 or kcvicme@ohsu.edu.

Cancellation and refunds

The conference registration fee is refundable minus a \$25 processing fee if cancellation notice is received by July 30, 2018. After that date, the registration fee is 50% refundable until August 26, 2018. No refunds will be issued after that date.

Continuing education information

Accreditation

Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit

OHSU School of Medicine designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Who should attend

This course is intended for all providers involved in the evaluation and treatment of cardiovascular medicine and surgery, including cardiologists, vascular medicine specialists, cardiothoracic surgeons, vascular surgeons, primary care physicians, advanced practice providers, and other healthcare professionals involved in the diagnosis, treatment and prevention of cardiovascular disease.

Program Planning Committee

Jill Gelow, M.D., M.P.H., Program Director

Cherrie Abraham, M.D.

Thomas Dewland, M.D.

Sanjiv Kaul, M.D.

Jonathan Lindner, M.D.

Michael D. Shapiro, D.O.

Howard Song, M.D., Ph.D.

Firas Zahr, M.D.

7:30 a.m.	Registration and breakfast
8:30 a.m.	Welcome
8:45 a.m.	Heart failure therapy in 2018: tailoring care Akshay Desai, M.D., M.P.H.
9:15 a.m.	Pulmonary hypertension in left heart disease: you noticed it, now what? Paul Forfia, M.D.
9:45 a.m.	Panel Q & A
10 a.m.	Break
10:30 a.m.	The device detected atrial fibrillation: now what? Jeff Healey, M.D.
11 a.m.	Ventricular tachycardia ablation: epicardial this time, or is enough, enough William Stevenson, M.D.
11:30 a.m.	Panel Q & A
11:40 a.m.	Lunch

FRIDAY AFTERNOON

September 7 / Imaging and Vascular Medicine

1 p.m.	<p>Noninvasive evaluation of systolic and diastolic function – what is considered state-of-the-art? James Thomas, M.D.</p>
1:30 p.m.	<p>Cardio-oncology – the intersection of cancer and the heart Edward Yeh, M.D.</p>
2 p.m.	<p>Panel Q & A</p>
2:15 p.m.	<p>Break</p>
