The 5th Annual Pacific Northwest Cardiovascular Summit 2019

September 6-7
Portland, Ore.
The 5th Annual
Pacific Northwest Cardiovascular Summit
September 6-7, 2019

The OHSU Knight Cardiovascular Institute is pleased to present this year’s Pacific Northwest Cardiovascular Summit. This symposium will provide the most up-to-date information about the diagnosis and treatment of cardiovascular disease including developments in surgery. Hear from internationally renowned experts speaking on topics related to:

- Electrophysiology
- Prevention
- Imaging
- Structural heart disease
- Peripheral vascular disease
- Heart failure

Course objective

At the end of the course, learners will be able to identify clinical presentations of the cardiovascular conditions covered, examine the appropriate guidelines based on emerging approaches to treating cardiovascular symptoms, and devise an approach to treating and managing patients with these high-risk cardiovascular conditions.

Location

The Pacific Northwest Cardiovascular Summit will be held in The Sentinel Hotel, located in downtown Portland, near Pioneer Square and the central business district.

Sentinel Hotel
614 SW 11th Ave.
Portland, OR 97205

Hotel accommodations

A limited number of rooms are being held for Summit participants. We encourage you to make your hotel reservations before the August 9, 2019 deadline to ensure that you receive the conference rate. Identify yourself as a participant of the Pacific Northwest Cardiovascular Summit.

To learn more and reserve a room: www.sentinelhotel.com or 1-888-246-5631.

Visit www.pnwcvsummit.com for more information and to register.
Registration

 Registration fees
For physicians  
$350 – Early bird registration
$395 – After July 26, 2019

For advanced practice providers and nurses  
$250 – Early bird registration
$295 – July 26, 2019

Trainees  
$49 – Residents, fellows and students

The conference registration fee includes online syllabus material, continuing medical education credits, meals and refreshment breaks throughout the sessions. For registration questions or more information, please contact the KCVI CME team at 503-346-1126 or kcvicme@ohsu.edu.

Cancellation and refunds
The conference registration fee is refundable minus a $25 processing fee if cancellation notice is received by August 9, 2019. After that date, the registration fee is 50% refundable until August 23, 2019. No refunds will be issued after that date.

Continuing education information

Accreditation
Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit
OHSU School of Medicine designates this live activity for a maximum of 8.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Who should attend
This course is intended for all providers involved in the evaluation and treatment of cardiovascular medicine and surgery, including cardiologists, vascular medicine specialists, cardiothoracic surgeons, vascular surgeons, primary care physicians, advanced practice providers, and other healthcare professionals involved in the diagnosis, treatment and prevention of cardiovascular disease.

Program Planning Committee
Joaquin Cigarroa, M.D.
Charles Henrikson, M.D.
Sanjiv Kaul, M.D.
Gregory Landry, M.D.
Jonathan Lindner, M.D.
Hind Rahmouni, M.D.
Howard Song, M.D., Ph.D.
Firas Zahr, M.D.
Invited faculty

Samuel Asirvatham, M.D.
Professor of Medicine and Pediatrics; Division of Pediatric Cardiology and Department of Physiology and Biomedical Engineering; Program Director, Electrophysiology Fellowship Program, Mayo Clinic College of Medicine

Ehrin Armstrong, M.D.
Associate Professor, Medicine-Cardiology; Director, Interventional Cardiology; Co-Director, Vascular Laboratory, VA Eastern Colorado Healthcare System

Deepak Bhatt, M.D., M.P.H.
Professor of Medicine, Executive Director of Interventional Cardiovascular Programs, Brigham and Women’s Hospital Heart & Vascular Center, Harvard Medical School

Alan Chait, M.D.
Edwin L. Bierman Professor of Medicine, Division of Metabolism, Endocrinology and Nutrition, University of Washington

Joaquin Cigarroa, M.D.
Head of the Division of Cardiovascular Medicine; Clinical Chief of Knight Cardiovascular Institute; Professor of Medicine, Division of Cardiovascular Medicine, School of Medicine, Oregon Health & Science University

Maros Ferencik, M.D., Ph.D.
Associate Professor of Medicine, Division of Cardiovascular Medicine, School of Medicine, Oregon Health & Science University

Satyam (Tom) Sarma, M.D.
Assistant Professor of Internal Medicine, UT Southwestern Medical Center

Stephen Heitner, M.D.
Associate Professor of Medicine, Division of Cardiovascular Medicine, School of Medicine, Oregon Health & Science University

Judith Hochman, M.D.
Professor of Cardiology; Associate Director, Division of Cardiology, Department of Medicine; Senior Associate Dean for Clinical Sciences; Director, Cardiovascular Clinical Research Center, NYU Langone Health

Mikhail Kosiborod, M.D.
Professor of Medicine, University of Missouri-Kansas City, School of Medicine, St. Luke’s Health System

Michael Mack, M.D., F.A.C.C.
Medical Director, Cardiovascular Surgery, Baylor Health Care System; Chairman of Baylor Scott & White The Heart Hospital – Plano Research Center

Melvin Scheinman, M.D.
Professor of Medicine, Walter H. Shorenstein Endowed Chair in Cardiology, Chief of Cardiology Genetrics Arrhythmia Program

Firas Zahr, M.D.
Associate Professor of Medicine, Division of Cardiovascular Medicine, School of Medicine; Director of Interventional Cardiology; Co-Director of Complex Heart Valve Program, Oregon Health & Science University
